Unicorn Word Game (Hangman alternative)

Player 1 picks a word or phrase using the theme below then writes out dashes to show how many letters are in it. Separate each word with a diagonal dash. For example:

_ _ _ / _ _ _

Player 2 then guesses letters one at a time to figure out what the word or phrase is. Mark off the letters on the alphabet grid as they are guessed. Each time a guessed letter is incorrect, Player 1 should draw a horn onto one of the ponies, to turn them into a unicorn.

Can Player 2 guess the mystery word or phrase before all the ponies turn into unicorns?

The theme of the game is books or television. Write out your dashes below.
